

Women's Senior National Invitational

April 23-25, 2010

Omni Tucson National Resort

The event has been officially adopted by The LPGA Legends Tour, one of the two Legends Tour formats has been selected for our Inaugural Event, which is an 18-Hole Shootout on Sunday.

Our goal is to make this a 4-year event where the size of the field (50-60 Players) and the scope will grow significantly. I expect to have a list of Players committed to the event by March 11th. The Legends Tour website will be updated with our Tournament as well in the near future.
